2016 sessions

In November and December 2016, the Ministry's LIFE team held 5 events in Bucharest, Ilfov, Călărași, Alexandria and Giurgiu, which were attended by 126 representatives of the following interest groups: city halls, NGOs, SMEs, EPAs, local authorities, press, students.

While the presentations mainly tackled the LIFE application and implementation processes, they also touched upon ongoing LIFE projects in Romania and other Member States.

The series of presentations will be continued in 2017 in order to increase the number of successful Romanian proposals.
